From the board

Greetings Deerfield Residents,
Summer is here,

As many of you have seen, the new playground has been installed and is being enjoyed by a lot of children. This has been a labor of love by the Landscape Committee for the last two years. I know that the kids love this new renovation here in Deerfield. A special thanks to our local MUD 136 Board for acquiring a large grant to make the playground a reality. Without their partnership, our new playground would not have been possible.

The pool has been open, and people have been enjoying the new Funbrellas near the diving board and the baby pool. Pool tags are required as of June 1st. There is going to be a 4th of July Pool Party at 3:00 pm.

I would like to thank Larry Burkham for his many years of service to the DVCA. He submitted his resignation at the May meeting and will be missed. He has served on the Board and as Vice President for many years. The DVCA trustees will be accepting applications for the Board Trustee until the close of the day July 20th and will be voting on filling the vacancy at the July 24th Board meeting.

We have already started seeing an increase in vandalism/criminal mischief lately. We will be asking Seal to patrol vigilantly in the overnight hours and are asking them to enforce the overnight curfew for minors under 17 from midnight to 6 am. We want our residents to rest easy knowing that we are trying our best to stop vandalism and crime. In any case, remember to lock your car doors and leave the lights on outside overnight. July is fast approaching and many committees still are looking for volunteers to join their ranks. Check the committee schedule and try and make some time to attend and help make Deerfield even better than it already is.

Let us make this summer a great one,

Mark Klodzinski, Vice President

Nothing but water should go down our storm drains.

Please make certain that the grass/yard clippings along curbs are bagged. In case of a heavy rain, these clippings will be swept into the sewer system and block the runoff water; which in turn will flood our streets.

Residential Trash Reminders

Please know that there is a 15 bag limit in regards to yard debris per service day. Anything over this limit must be negotiated between the home owner and Waste Corporation of America: 281-368-8397. Hours of operation are 7 am to 7 pm, office hours are 7 am to 4 pm. Pick-up days are Tuesday and Friday. Heavy trash day is Friday, limit 1 heavy item per service day per household. Please do not put your trash out until Monday or Thursday evening.

MUD 136 Report

by Jay Singleton, Secretary

At its May meeting, the Board reviewed the District's operations. During the previous month, over 10 million gallons of water were provided to customers. 100% of the water was from the West Harris County Regional Water Authority (WHCRWA) who purchases the water from the City of Houston. The City's treated water meets or exceeds all quality standards for potable water. WHCRWA monitors the quality of the water received at their Jersey Village distribution facility. Lastly, it is analyzed at our water plant. If further treatment is needed, it is done using our injection facilities.

REMINDER: Since chloramines are used in water treatment, the water cannot be used in dialysis machines or fish tanks.

Annually we publish the Drinking Water Quality Report for our District. A link to the electronic version of the report will be posted in your June water bill. Also, the report will be posted on the District's website (www.hcmud136.org). Please take the time to read it, as it contains very important information about the water we provide. The report confirms that "our drinking water meets or exceeds all federal drinking water requirements".

If you have questions about water quality or any other District matter, plan to attend the next monthly meeting on Thursday, June 8, 6pm, at the Rec Center.

Managers Report

Life just keeps getting better in DFV. With school out for the summer, the new playground complete, the pool open daily, a new basketball court (hopefully completed by receipt of this newsletter), the children of DFV have plenty of things to do to keep them busy during the lazy days of summer!

Beginning June 1st, the lifeguards at the pool will be checking for pool tags. So, if you still need one, please stop by the office M-F, 9:30 am – 1:30 pm or call the office to set up an appointment to get your picture taken. See inside this newsletter for a complete schedule Pool Schedule.

As the days heat up, stay cool till next time!

Tina

MOSQUITO FOGGING HAS STARTED FOR THE SUMMER.

We will fog at night on Thursdays after 10 pm.

Chemicals used are free of carcinogenics and safe to be used around children and pets. However, don't let children run behind the spray trucks breathing the fumes, that would not be good for anyone.

Financial Services Committee

Meetings are the 3rd Tuesday of the month at 7:00 pm to review the financial status of our community. The next meeting will be **June 20, 2017**.

Financial status as of **April 30, 2017**

YTD expenses	\$221,357	Annual Operating Budget	\$665,138
YTD budget	\$200,057	Annual Reserve Budget	\$87,802
Under/ (Over)/budget	\$ 21,300		

There doesn't appear to be any major expenses issues. Over budget is cause by insurance payment in April budgeted in May

The YTD assessment collection rate is 95.9%. This is **.5% behind** the 2016 comparable rate.

Assessments not paid before 2/1/2017 have incurred a late charge and interest is accruing.

Recreation Committee

May was a warm exciting month – we had both an Adult Social and the Memorial Day Pool Party. Both events were outside with excellent weather and people having fun. Next up is the June 17th Music on the Green with a new band to Deerfield – Electric Pony. Bring your lawn chairs and cooler and enjoy the evening! And after that, if you are in the neighborhood on July 4th, we will have another holiday Pool Party.

The Recreation Committee hopes everyone will participate in Danny Cline’s Eagle Project – the neighborhood survey. We are eager to learn about our demographics, how we can most effectively spread the word on events, and what age groups we may be ignoring. One example - we had suggestions for creating a bocce court near the volleyball court. We realize that is something that may appeal more to older residents than youth, so we want to learn what the community make-up is. Maybe there are enough seniors that bocce makes sense.

We meet the First Friday of the month at the end of Coffee and Donuts. And speaking of Coffee and Donuts – it will continue through the summer.

Eagle Scout Project

My name is Danny Cline. To earn the rank of Eagle Scout, I am doing a survey of Deerfield Village, to get a demographic portrait of the neighborhood. The information will be used to (1) help in planning events, (2) give insight on where Deerfield might want to focus their efforts such as a bocce ball court, and (3) to collect information for listing residents in the neighborhood Directory. **Participation in the survey is voluntary, and will only take a few minutes.** It is only 5 questions.

Scouts will be in their Scout uniform so you will know they are the youth doing the survey. They will take the survey across the neighborhood on **Wednesday, May 31st, Saturday, June 3rd, and Saturday, June 10th.**

ATTENTION TENNIS PLAYERS

Sign up sheets are posted outside the DVCA office window every week for all four courts. We are asking all players to sign in to reserve your court before playing, even if it is spur of the moment! Not only will signing up for your court eliminate anyone else from pushing you off that court but the Tennis Committee uses these sheets as usage figures to prepare our budget each year. Your participation in this is a HUGE BENEFIT TO YOU!

After your tennis playing is over for your time slot, please make sure the court gate is closed and locked. We have found it open several mornings and feel fortunate that no vandalism occurred so let's keep it that way by making sure everything is locked down before you walk away. Thanks, The Tennis Committee.

Players are reminded to wear non-marking sole shoes when playing.

Pet Hotline News

by Marie Nugent

-  Make sure your pet has a form of ID on their collar. Key tags are available 3 for \$2.00 at most hardware stores and work fine for pet ID's.
-  Did you know that you can register your pet with Deerfield's Pet Hotline? Call Marie Nugent, 713-818-5799 for a Pet Hotline tag for your pet. The tag has Marie's home and cell phone number. She keeps a log with a photo, breed, pet's name, and your address, and phone contact numbers. A rabies tag is a great ID, but many Vets are not contactable 24/7 and the finder may not be able to keep your pet for several days.
-  If you have your pet microchipped, make sure you register on the database and keep your information current. Pets have been found wandering around the neighborhood and, when taken to the vet, found they were microchipped but the information was obsolete, thus making it harder to contact the owner.
-  If you are going out of town and have a pet sitter, let Marie know your pet's name, what it looks like (a picture is also great), and a contact number.
-  And if you are thinking about owning a pet – Ask yourself IF:
 - You have time to get its shots and check for heartworms
 - You have time to get a collar with ID and a phone number on the tag
 - You have time to walk it on a leash and PICK UP THE POOP.
 - You have the money, time and commitment to care for a pet.

IF you answer NO to any of these questions, maybe you should NOT get a pet.

School is out and so are our children. Please be a good neighbor and watch out for them. We don't want any accidents!

Be a good neighbor!

Slow down and drive safely!

Deerfield remains quiet from a Security standpoint. Your vigilance in watching over the neighborhood and reporting any suspicious activity is working! Please keep it up, especially during the summer months, as juvenile mischief usually increases when school is out.

Remember to lock your vehicles that are left on the street or driveway, and close your garage door overnight or when you are not monitoring it. And let's brighten up the neighborhood at night by adding outdoor lights and having them on at night. It is a real deterrent to crime!

Be a good neighbor!

Brighten up your outdoors!

Solicitors continue to be an issue in our calls to SEAL and they are asking that we all post "No Soliciting" signs or stickers at our front door. Without a "No Soliciting" sign on your door, SEAL is very limited in their ability to help manage the solicitors in the neighborhood.

Be a good neighbor!

Post a "No Soliciting" sign!

The Security Committee meets on 1st Tuesday of the month. Our next meeting will be on June 6th at 7PM. Please come join us. We welcome your participation.

Deerfield Village Neighborhood Block Party

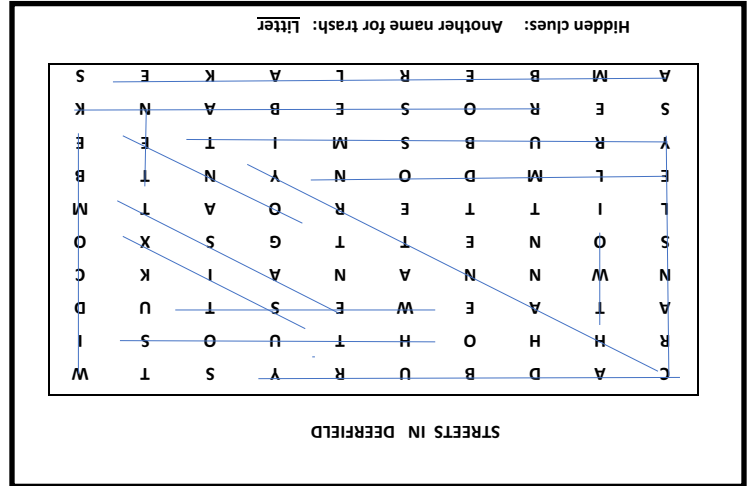

There will be a neighborhood wide Block Party on July 8th, 2017 @ 6pm. Bring your family, some finger foods, drinks and a chair. This is a fantastic opportunity to get out and meet your neighbors! Volunteers are needed on each street to coordinate the meeting location and pass out flyers with event information. The flyer has already been created, and will

be emailed so you can print and distribute. This is a pot luck style event. If you are interested in volunteering to coordinate your street or have any questions, feel free to

email Kylie Klodzinski at deerfieldvillageblockparty@gmail.com.

Deeds Committee

Have you recently taken a look at the outside of your home from the viewpoint of a visitor to Deerfield or a prospective home buyer? For example,

- Is your grass mowed and edged regularly? Are flower and plant beds, tree wells, and expansion joints free of weeds? Are trees and shrubs trimmed?
- Does your home have mildew on the brick or siding? Is there rotten wood or fencing that needs replacing? Is there painting that needs to be done?

Keeping the exterior of your home in a neat and attractive condition is a requirement of the Deerfield Protective Covenants; it also makes sure Deerfield remains a desirable place to live.

Please remember that any and ALL exterior improvements, modifications and major repairs require submission and approval of an Architectural Application prior to beginning the work. Failure to do so could result in having to remove and return the exterior of your home to the original condition at the homeowner's expense. The Architectural Application form is available on our website (www.deerfieldvillageonline.com) under the Documents section. You may also call the office to have the form emailed to you, or stop by the office and pick one up.

The Deeds Committee meets the 1st Monday of each month. Our next Deeds Committee meeting is at 7 pm on Monday, July 3, in the Clubhouse.

Recycling is Always on Friday

Men's Group

Deerfield Village Men's Group, currently 20 men, meet weekly on Thursdays at 9am in the Community Center. The purpose is to provide social interaction, arrange activities, and provide assistance to the community. This is a new group and suggestions are welcome for future activities. Come join us.

Current Assistance Programs

The Men's Group wants to be of service to those in our community that are unable to shop for themselves. Randall's has agreed to work with us by taking telephone orders, pulling the groceries and collecting credit card payments. Members of our group will then pick up the groceries and make deliveries. For information, please call Charles Rushing 936-590-2024, or Bob Fahrig 281-855-1981, or Bob Shortle 281-463-4589.

Community Services Committee

The Community Services Committee is responsible for many things including the upkeep of the Rec. Center, mosquito and pest control contracts, lighting at the Rec. Center and Greenbelts, and the parking lots at the Rec. Center and athletic field. Often times, this means meeting with vendors and doing research for future projects.

Our most current project is the basketball courts. New goals should be installed in the next couple of weeks. We would also like to restripe both parking lots and have the basketball court stripped also. In the works also, is installing soundproofing for the Clubhouse to help with noise reduction during meetings and events. As with our homes, there is always something that needs repair, replacing, or updating.

Community Services is also responsible for compiling the Deerfield Directory. We have heard from many of you and when Deerfield resident Danny Cline completes working on his Eagle Scout Survey Project (one of his questions regards the Directory), we can hopefully call it ready for printing.

Right now, there are only 3 members on this committee and we really could use new members for fresh ideas and people power. We meet on the first Monday of each month at 7:30 pm in the Small Meeting Room (the room across the hall from the office). Our next meeting is June 5th.

We hope to see you there!

Swim Pool Committee

The swim season is off to a great start! The pool will be open daily starting May 29th. Please check pool schedule in this newsletter for specific hours. Times will vary until June 19th as there are swim team meets and practices to coordinate.

We are excited that so many are enjoying the 2 new Funbrellas and sharing positive comments! Remember the first hour each day is for lap swim only.

Pool tags are required for use of the community pool. If you do not have one, you will need to get one. You can schedule that by contacting the office.

The Deerfield Village pool is for residents and their guests only. Beginning June 1st, you must have a pool tag on file at the pool, in order to enter the pool area. If you are new to DFV, stop by the office to get your picture taken or call, 281-463-2624, to set up an appointment to do so.

The Swim Pool Committee meets at 7PM on the 2nd Monday of each month in the Annex. Our next meeting is June 12, 2017 and we invite you to join us.

Landscape Committee

It has been an extremely busy year for our committee and during May it has finally wound down till fall arrives. We sincerely hope everyone enjoys their summer. Let's all hope for a little more rain than we've had.

We also hope that our resident's children are enjoying the new playground at the recreation center. A lot of planning and coordination was involved for our committee members as well as our HOA Board and MUD #136 Board. We are so grateful we were able to get this project complete in time for summer.

New surfacing material will also be installed at the Vanbury Dr. playground.

Five new trash cans have been installed in areas that have been requested as well as areas deemed appropriate.

Two trees were planted in May in the Patio Homes to replace two that were lost last year.

Every month there is an open invitation to all our residents to consider joining a committee that makes the decisions and puts the work in as individuals to keep your neighborhood functioning, attractive and fun. Our particular committee needs help folks. We meet on the second Monday of the month at 7:00pm at the main recreation room for about an hour.

That's all for now Deerfield Village resident's. Again, enjoy and have fun during the summer!
