President's Report

By Walt Bohn

I promised to keep you up to date regarding the greenbelt ditch situation. Here it is. A representative of the Flood Control Division attended the MUD's June meeting. The MUD Board and I were shocked to discover that the drainage channel easement is 150' wide. That means that the walkways and lights on either side of the easement are on the Flood Control Divisions easement. Not to worry though, Deerfield and the Flood Control Division have an agreement in place allowing Deerfield to place such things. The reason that the easement width is of importance is that the catch basins and conduits that drain water from one level of the channel to the bottom belong to the Flood Control Division. Those drainage systems need work. Because of this, cleaning of the ditch has supposedly been held up to do engineering on the drainage systems. The MUD Board and I employed the representative to have the ditch cleaned now and deal with the drainage system later. The representative agreed to look into that possibility. We are eagerly waiting a response.

I want to thank the MUD Board for their support in getting the ditch cleaned.

Last month, I encouraged you to enjoy the wild flowers in the ditch. Boy, was that a mistake. No sooner did the News Letter go to press, than the Flood Control Division mowed the wild flowers down. Wouldn't you know it? Well, the flowers weren't all that great this year anyway.

Although the wild flowers proved to be a bust, I encourage you to enjoy the new planting in front of the fence that hides the air conditioners and trash bins at the recreation center. It is great. What an improvement and a wonderful greeting to those who approach the building. Thank you Landscape Committee.

Speaking of the Landscape Committee, you just have to thank Jay Singleton for his role in shepherding the trimming of the trees along the whole green belt. He was out there early in the morning when I walked the dogs and still out there that evening when I took the dogs for their evening stroll. It was sunny and hot that day and Jay looked really well done by the time I saw him that evening. What dedication. Thanks Jay.

The Post Office must really be impressed with the new planting at the recreation center. One day when I was leaving the office, I noticed an official looking person in the parking lot by the post box. When I found out she was with the Post Office, I pointed out the new planting and jokingly told her that the planting really made the old beat-up post box look even worse. I suggested that the planting and a new box would compliment each other. Well what do you know, a new, spiffy post box showed up a couple of day later.

I told that story to Susan Vargas in the patio homes. She and a neighbor had power washed the concrete path leading to the centralized mail boxes in their cul-de-sac and cleaned the boxes. Try as they might, the boxes still looked pitiful. After hearing the story, she called the Post Office. Yep, she got a new box too. Thank you Susan for taking pride and doing your part to keep Deerfield looking good.

Lisa has the whole News Letter ready to go and is waiting for my report, which is really late. As luck would have it, the report will be either too short or too long for the space she left for it..

Board Meeting Updates

The time for all of the Board Meetings has changed to 7:00 p.m.

If you would like to be put on an email list to receive emergency or last minute informational emails, please email the office at deerfield4@sbcglobal.net

Financial Services Committee

Meetings. 3rd Tuesday of every month to review the financial, status of our community. We are always looking for new members and you are welcome attend.

YTD expenses;

2009 expense budget -	\$ 570,675
YTD May expenses -	\$ 250,168
YTD MayBudget -	\$ 254,481
Under / (Over) Budget.	\$ 4,313
Reserve expenses todate	\$ 10,394

Assessment 2009. We have received \$608,144 out of \$630,318 . Outstanding balances will be turned over to our Attorney for collection.

The audit proposal is still in progress.

This month is our first month with our new accounting service. So far the transition has been a smooth one . During June we shall be preparing the budget preparation papers for our committees for 2010. If you wish to help Deerfield maintain it's amenities, come join a committee and help with the budget preparations.

Come help us keep Deerfield a very special place in which to live!

ASSESSMENT SCHEDULE FOR 2009

6/1/2009

Liens filed against homeowner for outstanding balances. Cost charged to property

If payment is not received , you are considered a member not in good standing. This means you are unable to use the Deerfield facilities, Vote and are unable to participate in any Deerfield functions.

Landscape Committee

The hot weather has hit us like a firecracker! Dry as a bone also, which may be a blessing since we are still working on drainage. We are involved in several projects that address the drainage problems. It just takes time to find qualified contractors and get appropriate bids for the jobs. Although it seems we move like a herd of turtles, we are going as fast as we can. We feel a lot has been accomplished this past month. For those of you who walk the greenbelt, we're sure you have noticed all the trees have been trimmed. An additional day of trimming is planned soon to handle additional trimming needs. Send us an email if you know of a common area in need of work. Keep your eye on the recreation center for additional maintenance work to be completed by the time you read this. The painting of the Wrought Iron fences along Barker Cypress was also completed. We feel we have accomplished quite a lot in the last month. Some of it is visible and some not. We have committee members out trimming, dead heading, fertilizing, and watering new plantings to make sure they get established. We are a very small committee and would surely love to have you come on board. It is a pleasure to see so many beautiful yards and well maintained homes in Deerfield Village.

Deed Restrictions Committee

Meets the first Monday of the month @ 7PM

The Deeds Committee would like to say "Thank You" to all of you who have received violation letters and fixed the violation in a timely manner. We would also like to remind everyone to keep in mind that we still have many issues in the neighborhood that we are actively trying to get resolved and have now turned over several issues to the Deerfield Village Lawyer. We regret that we have had to start to involve our lawyer because some residents do not feel like the Protective Covenants pertain to them. We obviously would prefer not to get a lawyer involved but have gotten to a point that we have no other options.

With the neighborhood aging we are seeing more violations but many violations are easy and cost free to fix. The biggest violation we are seeing right now is **GARBAGE CANS, TRASH DEBRIS, MULCH BAGS, AND MISC. ITEMS** being stored in sight of the street or out several days before pickup. All items **MUST** be stored out of view until the evening before trash pickup or stored behind a fence or in the garage. It costs you nothing to move your items behind the gate or in the garage but it does cost all homeowners money when we have to start sending letters to get the problem fixed! Another violation that can be fixed easily is minor mold on brick or siding. A spray bottle with a mixture of water and clorox can sometimes clear that problem up quickly. Remember you need architectural approval to do any outside work...roofs, fences, additions, pools...

The Deeds Committee's goal is to help insure that our neighborhood stays attractive and a desirable place to live. Please help us by keeping your property maintained. If you need a copy of the Protective Covenants or an Architectural Approval form visit the website: www.deerfieldvillage.net .

WELCOME

If you are new to Deerfield, please stop by the office and pick up a Welcome packet and Recycle Bin. You may also want to pick up a key to the tennis court. The keys are \$25 and the deposit is refundable when the key is turned in. Want to get involved? Pick up a list of committees and their meeting days. Please call the office for more information.

Swimming Pool Committee

In July the pool opens at 10:00 for adults and 11:00 for general swim. Check the calendar in the newsletter for the hours of the day you want to swim. Pool IDs' are now required. The use of ID's has helped reduce non-resident use. If you still need an ID please check with the office. Remember, you must be current on your Homeowner's Association dues to use the pool. Cards are being checked.

One of the questions we have been asked is how many guests can a resident bring to the pool?. Deerfield residents with a pool ID card who are under 18 can have 4 guests. Residents 18 and older can have up to 8 guests. If there are more than 8 guests, it constitutes a party and may require an additional guard. A guest is a non-resident, or a family member who is not residing in Deerfield. At no time can a Deerfield resident be a guest of another Deerfield resident.

The Pool Committee is looking for new members with new ideas. We need input on what residents want. Come help us out, second Monday of the month, at 7:30, at the Pool.

Security Stats for May, 2009
Constable Dispatch: 281-463-6666
Contract # 87 Precinct # 5

TENNIS

The Tennis Committee is asking all tennis players to please sign up for the courts before they start playing. We would like to know how often the tennis courts are being used. We also ask that you wear proper tennis shoes. Shoes worn to play tennis do not have black soles. The courts have just been resurfaced and already have black marks from black soled shoes. There will not be a Tennis committee meeting in July. The next meeting is August 5, 2009.

Thanks! Corner

If you would like to recognize someone for something they've done to help DVCA, contact Lisa in the office and let her know who and the details.

- To Lynetta Morrell, Flo Horton, and Beverly Girbach for had watering, pruning and fertilizing the new landscaping
- Jay and Carol Singleton for watering the new trees and helping with the tree trimming

All outside work needs Architectural Approval. This form can be downloaded off our website.

The landscape Committee is excited to present the Cornelius Good Neighbor Program. The yard of the month will receive a \$50.00 gift card to Cornelius Nursery.

**Cornelius Good Neighbor
Yard of the Month**

John & Tonia Harrison
18107 Widcombe Dr.

COMMUNITY SERVICES

The Community Services Committee will be working on policies regarding the Deerfield Web site over the summer. Our site is maintained by a dedicated volunteer, Brian Sherwood, and we all owe him a great debt of gratitude for his hard work. We want the site to present information that is useful and informative to all residents of Deerfield. It is another way we can help keep Deerfield a wonderful place to live. If you have ideas, please email me at tarashockley@comcast.net.

Again, please remember that mosquito spraying in the neighborhood has begun and takes place every Thursday evening, weather permitting. The best way to keep mosquitoes out of your yard is to make sure you have no standing water, such as still bird baths, flower pots, or other vessels that could collect rainwater or water from your sprinkler, and to keep your drains free of leaves and other debris. For more helpful information on keeping mosquitoes at bay, visit www.harriscountyhealth.com.

The Harris County Public Health and Environmental Services Web site includes information on how the county monitors and controls mosquito-borne diseases. This site also gives information on reporting dead birds for West Nile virus testing. The number to call is 713-440-3036 or visit the Web site at www.hcphes.org.

The Community Services Committee is a small, but dedicated group of volunteers who address many of the issues that affect your quality of life in Deerfield Village. We need more members. If you are interested in keeping Deerfield and its facilities in great shape, please consider joining us. We meet on the first Monday of each month, beginning at 7:00 p.m. at the Rec Center.

New Deerfield Rewards Program

A rewards program is affective in Deerfield for damage done to Deerfield property. Information given to either the Constable Department or the Deerfield Office Manager that leads to the arrest and conviction of an individual(s) will be awarded to the informant. The reward amount will be based on the monetary damage done to the property.

SECURITY

In the Surrounding Areas. There has been an increased number of burglaries and motor vehicle break-ins in the Copperfield areas. This is a reminder to keep your vehicles locked and be aware of your surroundings.

In Deerfield Village. There was an attempted burglary in the 18100 block of Hollywell. As the burglary was occurring, a neighbor noticed a suspicious car and called the constable who responded immediately. All items were recovered. The crime watch program in Deerfield is an effective method of crime prevention. Please get involved. Contact Kirk Aden or attend the committee meeting on the 2nd Tuesday of every month.

Recreation Committee

The Committee has scaled down plans for July 4th. There will be a pool party and we will have a pool slide from 2:00 to 6:00. We will also have a Children's Bike Parade, at 2:00. Kids should decorate their bikes and wagons, and meet at the Recreation Center parking lot at 1:45.

In August we will have several events. Check them out in the Fun in Deerfield. There will be an adult party, a back to school party for 'teens, and our next Music on the Green.

We are also looking at having a bus trip to a casino in Louisiana in September. It would leave early one Saturday and come back that night. While there is no cost to Deerfield, there will be a small charge to provide non-alcoholic beverages and some munchies. We will have to have 40 people as a minimum to make this happen. Please call the Deerfield office and ask to be added to the list of possible participants if you are interested.

We are planning more fun events and we still need your help. If you can spare a few hours to help the community, come help us plan some activities. It makes us a more vibrant and exciting community! Come join us on the 2nd Tuesday of the month 7:30, at the Rec. Center! Have ideas for different events? Come join the Committee.

Teenagers need service hours? Call the Deerfield Office. We can use help on working the parties – make snow cones, run games, and just help us have a better neighborhood.

Be Aware Of Your Surroundings...

Deerfield is still one of the safest neighborhoods to live in. We need to keep it that way and look out for our neighbors and Deerfield property. Go with your gut feeling. If something does not look or feel right, call the constable. We pay for 3 shifts of security and this is part of your assessments. Let us all work together to protect our investment and the neighborhood we love.

Fun In Deerfield...!

Upcoming Neighborhood Events of the Deerfield Recreation Committee

Poker! 2nd Thursday of the month, 7:30 PM, at the Recreation Center... Players welcome, contact Bob Shortle at 281-463-4589

Pet Hotline

Spring is here and resi-
dents will be sprucing up
their lawns and gardens. If the gate is left
open "Spot" will get out with no collar, no ID
and no money to call home.
Please put ID on your pet. If it goes to the
SPCA it will be given a few days. Some-
times they do get adopted but you will never
know the result, good or bad.. So please, do
right by your pet.

We pay for 3 shifts of security. If you see, hear,
or feel that something is not right, please call
the constable at 281-463-6666 (contract 87)
immediately. After the incident is reported to
the constable, calling the office is helpful.

BSA Troop 120 News

We would like to congratulate Mark Bush for taking on the responsibility of Scout Master for Troop 120. His experience in scouting, the outdoors and many leadership roles makes him a natural fit for this job. We look forward to working with you Mark!

We would like to thank Gary Epperson for his leadership as Troop 120 Scout Master for so many years, and for volunteering so much of his time over the years to make our scouting experience fun, exciting and the best program ever. Our sincere appreciation and a job well done!

Summer camp

We sometimes get a little bit bored over the summer, so scouts have summer camp to keep fit and have fun. In summer camp we can earn lots of badges and have lots of fun. We go camping for a week and enjoy nature's beauty. So come along!

This year's high adventure trip was on the Dream Catcher Sailboat in Florida. High adventure trips are for older scouts, 14 year olds and older. We have a high adventure trip once a year and these adventures can be the most fun. In Florida, we typically go to Sea Base, were scouts go out to sea and learn to sail and scuba dive. Sea Base this year was full, so we decided to take the Dream Catcher Sailboat and sail to sea anyway.

All scouts are invited to camp at Lost Pine (near Bastrop) - July 13-17

I invite you to check out our website at www.bsatrop120.com and view all the troop adventures. Please come and join us, we meet from 7-8pm on Tuesday's at Wilson Elementary during the school year, or email us at scouttroop120@yahoo.com for more information. Stay tuned for more news next month!!!

SUPPORT OUR TROOPS

In July, we will continue to send foods ready to eat for the Marines in Afghanistan as the mess hall does not provide each man 3 meals a day. In Iraq, I communicate with the Army Staff Sergeant who tells me the men's needs. In June, we sent Snake a Way!! We continue to need insect repellent and all toiletries regular size. We need toothbrushes, shaving cream, body powder; and foods for making lunches as they leave to work for the day. The troops and I thank you for all that you do. Each item provides a sense of home and the knowledge that we think of them each day. I am at 4046 Heathersage Drive and you can reach me via email at gerry.archibald@sbcglobal.net

**Timely Tip for July Gardeners
Summertime Watering**

If you have lived through a summer in Texas, then you know how valuable water is to our landscapes. It is our responsibility to conserve water yet keep our gardens thriving through the heat. If you own a sprinkler system, each zone should be programmed differently depending on the needs and you should always operate it manually.

Established lawns should be watered once every five to seven days, applying about one inch of water. This soaking encourages deeper rooting which leads to stronger, healthier plants.

Shrubs and flowerbeds may require more watering depending on the age of the plant material. A good test is to dig down 4 to 6 inches and feel the soil. If the soil is dry, a good deep watering is in order. Plants in full sun will require more moisture as well as those growing in containers. Please remember, any newly planted tree or shrub requires hand watering for that first year.

The best time of day to water is early morning before the temperatures begin to rise. Also, early mornings tends to be a time of lower winds and thus reduced evaporation.

Mulching is an excellent way to retain moisture. It will also insulate the soil surface from the direct rays of the sun and prevent weeds from germinating. Apply a two to three inch layer of mulch to all beds and plantings.

Attend our **Free** Saturday clinic on July 18th for more water saving ideas. For a more complete list of clinics, visit www.mytexasgarden.com.

Must Know Information from the Manager.....

- * Reporting criminal activity to the office is helpful and appreciated, but please call the constable first to file a report.
- * Visit our website at www.deerfieldvillage.net. Most of the information requested can be found on the website. Ex. Architectural Approval Form , Rental Forms, newsletters and even the Protective Covenants. You can also find the minutes to all the past Board Minutes and any last minute updates for the community
- * To report a street light, you must know the pole # and address. You can log on to Centerpoint or email the office with the information.
- * There is a locked drop box for your convenience located next to the office windows.
- * Office hours are from 9:30 to 1:30. If you can't make it to the office during those hours to pick up a key etc., please email the office to make arrangements with me to meet after hours. Please do not call me at home for Deerfield Business. I typically do not get the messages.

No job too big or too small!

31st Annual Deerfield Christmas Bazaar

Our 31st Deerfield Christmas Bazaar will be held on Friday, November 6th & Saturday, November 7th. We invite any interested Deerfield Resident (female or male) to join us as a participant in this exciting community event.

Our meeting dates this year are: August 27, September 16, October 6, October 22 & November 3. All meetings are at 7pm and are downstairs except the November 3 will be upstairs. The August meeting will be a great chance for interested residents and former participants to meet and see what all the Bazaar entails. Refreshments will be served. One of our by-laws is that you have to attend three meetings in order to participate.

Hope to see you all there. Any questions, call Sharon Hamilton at 281-859-0174

SUMMER IS HERE...BE AWARE

There is increased activity at the Rec Center. It will take the kids about a week into the summer to "get bored". Please be on the lookout for anyone being destructive. The kids have a habit of writing on the picnic tables and walls. If you see any activity you believe is wrong, please call the constable. Riding bikes, skateboarding and roller skating is not permitted under the pavilion. Let's look out for our investments.

Water Walking

Beat the heat and come to a fun Water Walking Workout. One greenbelt lap of land walking (1 1/2 miles) is equal to 3 1/2 miles of water walking in the same amount of time.

Time: 8:00 am - 9:00 am Saturdays

Cost: \$30.00 per session (4 one hour classes per session)

Session II - July 4,11,18,25

Session III - August 1,8,15,22

* some dates might be changed to Sundays at 8:00 due to inclement weather
