For this purpose the Declarant hereby reserves and retains the right of architectural control to itself or its assignee hereinafter provided for.

It is accordingly covenanted and agreed that all original construction, development and changes in design and exterior color after original construction in Deerfield Village Patio Homes, Section Three, shall be subject to the approval of the Declarant or its assignee, and that no building, structure, or other improvements, including but not limited to residence houses, fences, exterior painting, and facilities of the Common Area, shall be commenced, done, and constructed or placed on any of the property within the Subdivision, and no changes shall be made to any building or improvements hereafter constructed or placed thereon, unless and until the plans and specifications therefor (including site landscaping and grading plans, and plans for offstreet parking of vehicles and utility layout) have been first submitted to and approved in writing by the Declarant or its assignee, as to compliance with these restrictions, the applicable Minimum Construction Standards adopted and promulgated from time to time by Declarant for this subdivision and as to quality of materials, harmony of exterior design and colors with existing structures, and location with respect to Lot lines and topography and finished ground elevation, such approval being only for such purposes and shall not indicate Declarant's approval for any other purpose. Any and all plans and specifications which have not been expressly disapproved within thirty (30) days after date of submission shall for all purposes be deemed to have been approved.

Declarant or its assignee, at its sole discretion, is hereby permitted to approve deviations in building setback lines and construction of privacy walls as hereinafter set out and building area and location in instances where, in their judgments, such deviation will result in a more common beneficial use. Such approvals must be granted in writing and when given, will become a part of these restrictions.

The Declarant hereby retains and reserves the right to assign its rights to approve or disapprove plans and specifications, locations of structures, construction contracts and all other necessary documents or approvals required to be submitted to it to an architectural control committee, appointed by the Trustees of DEERFIELD VILLAGE PATIO HOMES COMMUNITY ASSOCIATION, INC., or their assigns as long as the Association is collecting and administering the annual services charge for Deerfield Village Patio Homes, Section Three. In the event Declarant elects to assign such rights of approval, such assignment shall be evidenced by an instrument in writing, executed and acknowledged by the proper officers of Declarant and placed of record in the appropriate private records of the County Clerk of Harris County, Texas.
