President's Report

By Glenn Sommers

I hope you all had a wonderful holiday season and have fond memories of the time spent with your family and friends! Thanks to all who decorated their homes and made Deerfield such a festive place to drive through. Now that it's behind us, I hope you can rest up a bit before the activities of the New Year kick into gear.

We had another very successful Children's Christmas Party on Sunday the 14th. There was snow, Santa Claus and lots of fun. From what I understand the New Year's Casino Night should have been a grand way to welcome in the New Year, with tasty food, friendly people and exciting games! Thanks to all those who helped make these events a reality. It takes a lot of effort to plan and run these and we appreciate those who step up and make DVCA a fun place to live.

Speaking of fun, and depending on when you read this, you may still have time to participate in the Polar Bear Swim. Come join the brave and hearty ones (or is that foolhardy ones?) that dive into the New Year with a splash!! Plunge in New Year's Day from noon to 1p.m.at the pool. It's really a cool way to jump into the New Year! Pool IDs are not required for this special event, but look for announcements in the coming Newsletters regarding the 2009 process.

Just a reminder on the 2009 assessments - they are due now! Please make your payment promptly as it is how we are able to pay for the facilities and services we provide. Remember that there is now **a \$100 late fee if you do not pay on time**. Additionally, if you are not current on your assessments, you cannot vote on any DVCA matters, and you and your family are not entitled to use the facilities or participate in DVCA sponsored activities. We've made good progress in 2008 on resolving many of the delinquent assessment situations and plan to work on it even more in 2009. The board is committed to have every Deerfield household pay its fair share, as required by our Protective Covenants.

The Annual Election for the Trustees will be occurring in March. There are three openings, and we need strong candidates to join the board and help keep Deerfield the special place it is. Please consider taking your turn to get involved - if not as a board member, then how about joining a committee? We always have a need for new volunteers with fresh ideas. Last January we highlighted the need for people to join the Rec Center committee, and several of you responded. Look at how they have made a difference and the great results that they have achieved with parties and activities. What about you? Come join us and help make a difference in 2009. If you're not sure where to plug in, let us know and we'll help you figure it out.

We continue to have some issues with home/property repairs or improvements being done that are not in compliance with the Protective Covenants. We are starting the process of getting those situations back in compliance, which is not enjoyable for anybody involved. Please follow the Architectural Approval process, and make all of our lives less frustrating and costly.

Have a healthy and prosperous 2009!

If you are new to Deerfield, please stop by the office and pick up a Welcome packet and Recycle Bin

There has been vandalism at the Rec Center. Please report loitering to the constables office at 281-463-6666. Parents, please warn your kids not to "hang out" at the facilities after dark.

HARRIS COUNTY MUD 136 JUNE MEETING REPORT

By Jay Singleton, Secretary

The conversion to surface water is continuing on schedule. The West Harris County Regional Water Authority (WHCRWA) mailed to all residents a brochure about the construction of the surface water connection to our facilities. Under the current plan, WHCRWA's water line will run south along the west side of Barker Cypress. A connecting line will run under Barker Cypress at Spellbrook and then south along the road to the water plant. Construction should begin very soon. Meanwhile, work is proceeding on the necessary modifications to our plant facilities in order to be ready for the connection to the water line in early summer. Funding for the construction comes from bonds issued by WHCRWA. Money to repay the bonds comes from fees WHCRWA assesses on water produced from our wells. It appears on your water bill on the line 'Regional Water Authority'. In January the Authority will increase the fee. The amount on your bill will be calculated by multiplying you current usage by \$1.01. More information will be provided with your January water bill.

2008 tax notices were mailed in November. If you did not receive your tax bill, contact the Districts tax collector, Bob Laird Interests at 713-932-9011. You can also find your bill on their website www.bli-tax.com. Click on Records and enter your street address. Then click on the account number that appears in the left hand box.

The Board of Directors of HC MUD 136 wish you a very happy and prosperous New Year.

Swimming Pool Committee

No meeting was held in December since December is a slow month for the pool. The next meeting will be January 8th at 7:30 at the Rec Center.

Those who want to brave the January cold, are invited to enjoy the annual Polar Bear Swim! The pool will be open from Noon to 1:00 PM, on January 1st, to welcome in the New Year. So come dip with us, and then have a warming hot chocolate at your Deerfield Pool.

Pool IDs' will be required in 2009. The use of ID's has helped reduce non-resident use. . We will be updating 2008 cards with a 2009 sticker, so those who already have a card will not need a new one. If you have your card you will need to bring it by the office to be verified and get a sticker for it; if your card was left at the pool, we will apply a sticker. If you do not have one yet, we will making new ID cards in April. Cards will be checked once the pool opens in May, and by June residents will need a current ID card or will not be able to use the pool facility. Remember, you must be current on your Homeowner's Association dues to have an ID card and use the pool.

Community Services

The Deerfield Community Services Committee wishes everyone a happy holiday season. We will soon begin a new year, and we invite you to join us. The Community Services Committee is responsible for many things that affect your life here in Deerfield. If you have an interest in waste collection, mosquito control, the Rec Center facilities, Rec Center lighting and many other issues, we need your input. A small group of volunteers is now doing this work, and we need more committee members. We meet the first Monday of the month, at 7:30 p.m.

This year, we will continue to address improvements to our Rec Center facilities and furnishings, lighting issues, facility policies and other things that we hope will maintain, and improve, the quality of life in our wonderful neighborhood. If you would like to find out more about the Community Services Committee, I invite you to email me at

I would like to express my thanks to committee member Rick Johnson for his work in helping us examine options for trash collection in the neighborhood. Rick has spent many hours on this, and we should all appreciate his efforts.

Community Services Chair

Recreation Committee

Upcoming events.... On December 31st, adult New Year's Eve Party – a Casino Party at the Rec. Center. Tickets are on sale for \$25 per person, available at the Rec Center. Get your tickets and make your plans to enjoy New Years' Eve in Deerfield! See the ad in this newsletter elsewhere. We are still looking for volunteers to help deal. Please contact Bob Franknecht if you can help.

The committee is planning the next wine tasting for April, and is also planning more Music on the Green events. The first Music on The Green may be a zydeco band and a crawfish boil if we can get the crawfish.

The Holiday Kids Party was held on December 14th and was a big success. While there was less snow than last year (global warming?) it was enjoyed by all. Also, the Train, the moonwalk, and the craft were fun for all. Santa's visit was short but popular. After this party we will be looking to continue to have a nice Holiday Party with some snow.

We are still looking for teenagers and their parents who would like to plan a teen age event. Contact Peter Howell is you want to plan a teenager event.

The committee meets the second Tuesday of the month at 7:30 at the Rec Center. and welcomes anyone who wants to join. The Committee needs members with new ideas and who want to help organize events, so bring your ideas and creativity and help make Deerfield fun.

NEW YEAR'S RESOLUTIONS By Landscape Committee

Here are some suggestions for additions to your list of New Year's resolutions:

- (1) Conserve more water. Read the informational brochures that come in your water bill, check out the tips available on the web at whcrwa.com. or at aggie-horticulture.tamu.edu.
- (2) Spruce up the yard. Now is the time to plant bluebonnets, daisies, pansy, salvia, snapdragons, and bulbs such as amaryllis, gladiolus, iris, oxalis. It is also the best time to plant shrubs and trees.
- (3) Join the Landscape Committee and help keep Deerfield beautiful. Our committee is responsible for keeping the grass mowed, the trees trimmed, the flower beds planted, maintaining the benches and trash containers on the greenbelt, and much more. We are in need of volunteers to help the committee meet these responsibilities. Please consider joining. We meet on the second Monday of each month, 7:30PM, at the Rec Center.

Thanks! Corner

If you would like to recognize someone for something they've done to help DVCA, contact Lisa in the office and let her know who and the details.

BSA Troop 120 News

I hope everyone had a great Christmas and a Happy New Year!

Mulch sales Heads up, the mulch sales are starting **December 16**. Look on your street for the nearest Boy Scout to stop by.

November Campout/ Inks Lake The boys had fun doing the Wild Cave Tour in the Longhorn Caverns. They also had fun hiking and fishing around the area. The weather was windy and cold but there was too much fun to slow us down.

December Campout/ Bastrop This was also a great campout with lots of fun in the woods. There were activities like blind man tent where everyone was blindfolded except 1 person who called out what to do. Pine boarding was one of the many things that everyone did. There was a mountain biking group that rode 10 miles. Too bad no Webelos joined us, so if you're reading this come to our meetings Tuesdays at 7.

Wolf Scouts:

I wanted to mention and thank Wolf Den 1 from Pack 1135 for walking the Recreational Center area and picking up trash. A boys coat was also found and given to the Deerfield office.

I invite you to check out our website at www.bsatroop120.com and view all the troop fun and adventures. Please come and join us, we typically meet from 7-8pm on Tuesday's at Wilson Elementary or email us at scouttroop120@yahoo.com. Stay tuned for more news next month!!!

Wishing you a Happy and Healthy New Year

Many of us start the New Year with Resolutions. Developing new habits can be the key to success. Jim Rohn said "Motivation is what gets you started. Habit is what keeps you going." Experts say that developing a habit takes 21 days of repetition to turn an act into a ritual. While that number may condition you, the most important accomplishment is committing yourself to the changes that you want to see made. Check out Steven Covey's book *The 7 Habits of Highly Effective People*, because effective people get things done.
