Dear Deerfield Village residents,

Everyone here at S.E.A.L. Security Solutions is pleased to have been contracted to provide security to the **Deerfield Village Community**. Your safety and that of your families is our primary concern and we are here to assist you in achieving a crime free community.

All of our officers are armed and shall be patrolling in marked patrol units for your protection and ours. You will begin to see us after October 17th, and we look forward to meeting you in the community. On occasion, officers may also be accompanied by a canine. These canines are highly trained patrol/narcotic dogs, not pets. In the interest of safety, we ask that residents please do not approach the dogs or attempt to pet them.

We have established a 24 hour hotline specifically for the residents of **Deerfield Village**, so please keep this number handy. For your convenience, we will be sending you fridge magnets mid October. If you have an immediate emergency, please call **911** as usual. Any non-emergency calls can be made to the below hotline number:

S.E.A.L. Hotline – (832) 408-0200

If you need to schedule a vacation watch, or you see any suspicious activity, please call the hotline above and contact us promptly. We would appreciate everyone's assistance in obeying all the Deerfield By-laws and to keep your pets on a leash per ordinance. Our team will assist the Deerfield Security Committee in developing a stronger Neighborhood Watch program. Our officers will randomly walk the Greenbelt area, and provide visibility during times Deerfield students load and unload from the bus. You may also see us at community events, as requested by the Deerfield Security Committee or Board.

We look forward to serving the residents of **Deerfield Village** and would appreciate any assistance or other input you can provide to increase the efficiency of our service to you. We will be attending all Deerfield Security Committee meetings.

Thank you,

S.E.A.L. Security Solutions
