

# DVCA Architectural Application (AA) Process

## 1. Paragraph outlining general process

- I have read the process
- I am aware that Dumpsters and PODs require an additional form.
- It is MY RESPONSIBILITY to conform to all lot line easements. [Link to Disclaimer](#)
- I am aware that the Deeds Committee will respond as quickly as possible, but it can take up to 30 days if needed. Sections # 1, 2, 3, and 4 are always initially denied, to allow time for the Deeds Committee to fully review. [Street Names Cross-Reference](#) and [Map of the DFV Sections](#)
