

Residents of Harris County MUD No. 136

BEST TRASH is the trash and recycling collection provider effective February 4, 2025.

Trash collection days are every TUESDAY and FRIDAY.

Recycle collection day every TUESDAY.

Garbage collection: Residents are limited to one personal trash can up to 96 gallons, may have an additional trash can between 30-50 gallons

Recycle collection: in 18-gallon BEST TRASH provided recycle bins (red container)

Please have trash and recyclables out to the curb by 7:00 a.m.

TRASH: On each regularly scheduled collection day, Best Trash will collect residential refuse located at the curbside in resident supplied trash cans up to 96 gallons. Residents are limited to one personal trash can up to 96 gallons. Residents may have an additional trash can between 30-50 gallons. It is encouraged to bag all household waste. Bags should not weigh over 40 pounds each. We will not collect trash from another provider's trashcan. Any trash must be placed at the street by the curb prior to 7am on the collection day.

EXCLUDED ITEMS: dirt, rocks, bricks, tile, concrete, tires, batteries, motor oil, cooking oil, sheetrock, insulation, construction debris, waste generated by a private contractor, or any materials or items deemed hazardous materials. **Please do not dispose of gasoline, motor oil, paints, cooking oil, or any other liquid items in a container that are not visible to Best Trash personnel.** If such items result in spillage that causes a stain, Best Trash is not responsible for the cleanup. Best Trash will leave a tag explaining the reason for any non-collected item(s).

HEAVY TRASH: OFFERED EVERY COLLECTION DAY. Trees, shrubs, brush trimmings and fencing must be bundled up **to 40 pounds, in lengths no greater than 4 feet with no branch diameter exceeding 4 inches.** The bundling is required to allow quick pick up and size limitations are required to avoid damaging the equipment in the crushing process. Items such as appliances, furniture, carpet (**up to 1 room, rolled up four feet wide and less than 40 pounds**), will be picked up on either of your collection days. By Federal Law, refrigerators and freezers or any other items containing Freon must be drained of Freon and have an accompanying bill to validate such service was performed. Please note that in the event of a natural disaster, these guidelines are subject to suspension until all debris has been removed.

SPECIAL COLLECTION SERVICE: For more than normal amounts of residential refuse, yard trimmings or bulk items, Best Trash does have the ability to provide a special collection service. For pricing information, please email your district name, address, and several pictures of your items to customerservice@besttrashtexas.com.

RECYCLEABLE ITEMS: PAPER (including cardboard), PLASTICS (1-5,7), ALUMINUM and TIN cans and GLASS (all colors)

Best Trash takes great pride in our recycle program. Ensuring the best recycle program for our customers takes time and effort on both sides. Please remove caps, liquids and food products from inside the containers. Please only use the provided recycle bin for recyclable materials. The red recycle bin is **NOT** an extra trash container and will **NOT** be emptied as such. If items exceed container capacity, please place them adjacent to the bin well marked as recyclable materials. Cardboard is recyclable, please break down all boxes flat, and place them next to the recycle container for collection.

CART CARE & MAINTENANCE: Best Trash will provide each current residence with ONE 18 gallon recycle bin. Best Trash will replace any containers that are defective or otherwise become unusable due to normal wear and tear. Lost or stolen containers can be replaced for such fee paid by the resident by contacting customerservice@besttrashtexas.com.

HOLIDAYS: If your regular trash or recycle collection day falls on a holiday (New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day), the collection will be made on the next regularly scheduled collection day.
